

We're Going to the Pumpkin Patch & Petting Farm!

Stepping Stone Children's Center is planning a field trip to Green Meadows farm! The trip is planned for Friday, October 21st. The bus will be leaving Stepping Stone at 8:30 am. Please have your child at the center no later than 8:15 am. We plan to return at approximately around 3:30 pm. Children need to bring a brown bag lunch including a drink, but **no heat-ups**.

The cost of the trip will be \$20.00 per person. This cost includes the bus. As always, chaperones are welcome. An adult must accompany children two years old or younger and children who are not potty trained.

Please return this permission slip and money no later than Friday, September 30th. Please pay by check and make all checks payable to Stepping Stone Children's Center. For those children not planning to attend the field trip, the permission slip must still be filled out in order for there to be adequate staffing at the center.
